

Matteo Thun & Partners

Matteo Thun & Antonio Rodriguez and their teams at Matteo Thun & Partners are happy to share with you the projects and products that will be finalised for an international clientele in the segments of architecture, interior and product design in 2020 .

The architecture and interior concepts for hospitality, retail, healthcare and residential prioritise aesthetic durability, technological longevity, and the future lifespan of buildings. Timeless simplicity, warm and natural materials, a clear design language and technological innovation determine the design approach.

A profound respect for a project's soul and a sensitive approach to the client's individuality is key to all of Matteo Thun & Partners work.
