

Christmas Design Award 2018 by OSAKA DESIGN FUTURE

SOFT ICECREAM CHRISTMAS LIGHT by SANG IL from korea

designer's own words:

SOFT ICECREAM CHRISTMAS LIGHT

This design concept could be transformed into the candle, lights, installations by purposes. If this product is the semi-transparent version, this is the electronic product 'lights'. And the black candlewick at the top of this product is the button for on and off.

If this product is the white or colorful version, this concept could be transformed either the electronic lights product or traditional candle. and the white wick at the top of this product is the button or the wick of the candle.
